

FARM POWER NORTHWEST LLC

Offering Summary Sheet

- Issuer:** Farm Power Northwest LLC, a Washington State limited liability company (the "Company")
- Approved Issuance:** Up to 3,060 LLC Member Units at a price of \$325 per unit (\$994,500 total)
- Closing Date:** The Company expects to hold its first closing on August 15, 2009. (Permit #70014056 expires on April 28, 2010)
- Use of Proceeds:** The proceeds of this offering will be used to fund the development and construction of up to two anaerobic digester facilities.
- Minimum Closing:** \$500,500 (1,540 units) This is the minimum amount the Company anticipates will be required to complete the financing of a second anaerobic digester.
- Impound:** All funds will be held in escrow until the minimum offering amount has been deposited, the offering has been closed by the Company, and the Securities Division of the state Department of Financial Institutions has given written permission to release the funds. No interest will be paid on funds in escrow. Regardless of the final closing date, all funds must be refunded from escrow if the offering has not raised its minimum amount by August 15, 2009.
- Minimum Investment:** The minimum investment is \$6,500 (20 units).
- Investor Limitations:** All purchasers must reside in Washington State. Purchasers must have a household net worth of at least \$100,000 or an annual household income of at least \$50,000.
- Distributions:** The Company plans to make distributions at the anticipated maximum federal income tax rates applied to taxable income distributable to Members on Schedules K-1, Form 1065 (partnership income tax return).
- Voting Rights:** All Member Units have the same voting rights. At the end of this round, the Company will add a fourth person to the Board of Managers from candidates chosen and approved by investors in this round.

This does not constitute an offer to sell securities or a solicitation of an offer to buy securities. Offers are made by offering circular only. Prospective investors are encouraged to read the entire SCOR offering circular prior to investing. There are risks associated with an investment in the company and you should not invest unless you can afford the loss of your entire investment.
